“Brenda was a truly wonderful person. She showed her Godliness in all she did for anyone she meet, her church family, her work ethic and especially her family. When I was young, about to graduate from high-school, I worked at the same place she did. I had to walk there and back sometimes; when she realized I was walking so far she started picking me up to go to work. It was a real honor to me to have, who we called, the "Pretty Lady" offer to do that for me. We were members of the same church and she would always give me a warm, loving hug or air kiss. Her kindness and care could be seen in everything she said or did. I will truly miss her.

“Such a sweet person with a beautiful soul. Everytime I was around her as a child, she was so kind, supportive, and had a heart for the people. Heaven has truly gained an Angel and one of their rarest flower.

“She was a second mother to my son when he worked in Columbus. I always felt better that she was there if he needed something. Such a sweet lady. Heaven gained a beautiful angel. Janice Marsh

She was a long time friend and pillow of her community. She will always be remembered for her contributions to her family, her friends and most of all to her God. Our prayers go out to the family.
