“ I met Fernando a few years back at Firebirds Restaurant. He was a kind and gentle soul who was so polite and courteous. It is hard to believe just two weeks ago he served me and my friends at the restaurant, we were so glad to see him back after his illness. When I got the news just two weeks later it was such a shock. If the world had his loving and caring heart it would be much better world, We will miss you. Barry Kughn
