

## Dr. Larry Mack Gibbs, DMD, MD

February 7, 1946 - December 10, 2025

Dr. Larry Mack Gibbs, of Birmingham, Alabama, passed away on December 10, 2025.

He was born in Huntsville on February 7, 1946, and lived a life marked by curiosity, generosity, and deep devotion to the people he loved.

Mack graduated from Butler High School in 1964, where he served as senior class

president. He went on to earn a BS in Physics from the University of Alabama in

Huntsville, a Doctor of Dental Medicine (DMD) from the UAB School of Dentistry, and a

Doctor of Medicine (MD) from the UAB School of Medicine. His path reflected a mind

that was always reaching for the next horizon.

His career carried that same sense of purpose. Mack began as a propulsion engineer

with NASA and Boeing before pursuing his DMD at UAB, after which he taught and

practiced at the dental school for six years. He then continued his education, earning his

MD, and spent three decades as an Emergency Room Physician at Bessemer Carraway Hospital and UAB West. He was known for his gentle manner and

the way

he made every patient feel seen and cared for.

Music was woven through every stage of his life, a love passed down from his father,

who played the banjo. In his younger years, Mack played bass guitar with The Sensational Prophets, and he carried that love of music with him always.

Mack is survived by his beloved wife of 58 years, Linda Gibbs; his children, Amanda

Weiner (Mitch) and Sean Gibbs; and his grandchildren, Jordan Weiner and Noah

Weiner, who brought him endless joy. He is preceded in death by his parents, Dillard D.

Gibbs and Agnes Iona Gibbs, and his sister, Carol Hogue (Jack).

Mack's warmth, kindness, and humor touched everyone who knew him, and his memory

will live on in the hearts of his family, friends, and all those whose lives he cared for so

deeply.

A Celebration of Life will be held on December 20, 2025, at 1 p.m. at 519 Stewards

Glen. In lieu of flowers, memorial donations may be made to St. Jude Children's

Research Hospital.
